

## *To our Family of Customers*

For more than twenty five years, Solomon Brothers has taken pride in its role of helping people express their love, gratitude and respect. We recognize that it's not about the gift, it's about the giving. It's not about the price, it's about the thought. Taking the time to select just the right gift is what we do best and what has earned us a loyal family of friends and customers.

The beauty and brilliance captured in our 2009 catalog is only a sampling of the many selections offered year round. Many of the companies featured are unique to Solomon Brothers. All are among the very finest names in design, quality and craftsmanship.

As the holiday season approaches and we think back over the past year's joys and sorrows, let us each take a moment to recognize not only the true meaning of the season but also the gift of hope and joy found in family and friends.

Yours in service,

*Ivan, Anthony and Howard*
